Mr. Jerry H. Breidenfeld  
Federal Bureau of Investigation  
Washington, D. C. 20535

Dear Jerry:

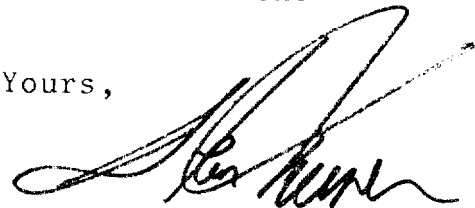

I am told that you will be retiring from Government service this month at the conclusion of a distinguished career with the Federal Bureau of Investigation. I understand that for ten years you have strongly and ably supported the technical security programs of the Intelligence Community.

As you know, I fully support the enhancement of Community Security programs and have attempted to do so through a strengthened Security Committee. Your Community associates have commended your exceptional initiatives in advancing the  capabilities of the U.S. Government, and indeed attribute the existence of the fine Interagency Telephone Laboratory to your personal efforts.

25X1

On behalf of your many friends and associates within the Intelligence Community, I am delighted to say thanks for your able service, friendly cooperation and support, and to extend our best wishes for the future.

Yours,

STANSFIELD TURNER
